

STAR Program 2026

Week 1 Activity - My Tech Future Card

Activity Instructions

Create a simple card, slide, drawing, poster, or document that introduces your tech future. The goal is not perfection. The goal is confidence, creativity, and curiosity.

Student Name

STAR Track

One technology I use often

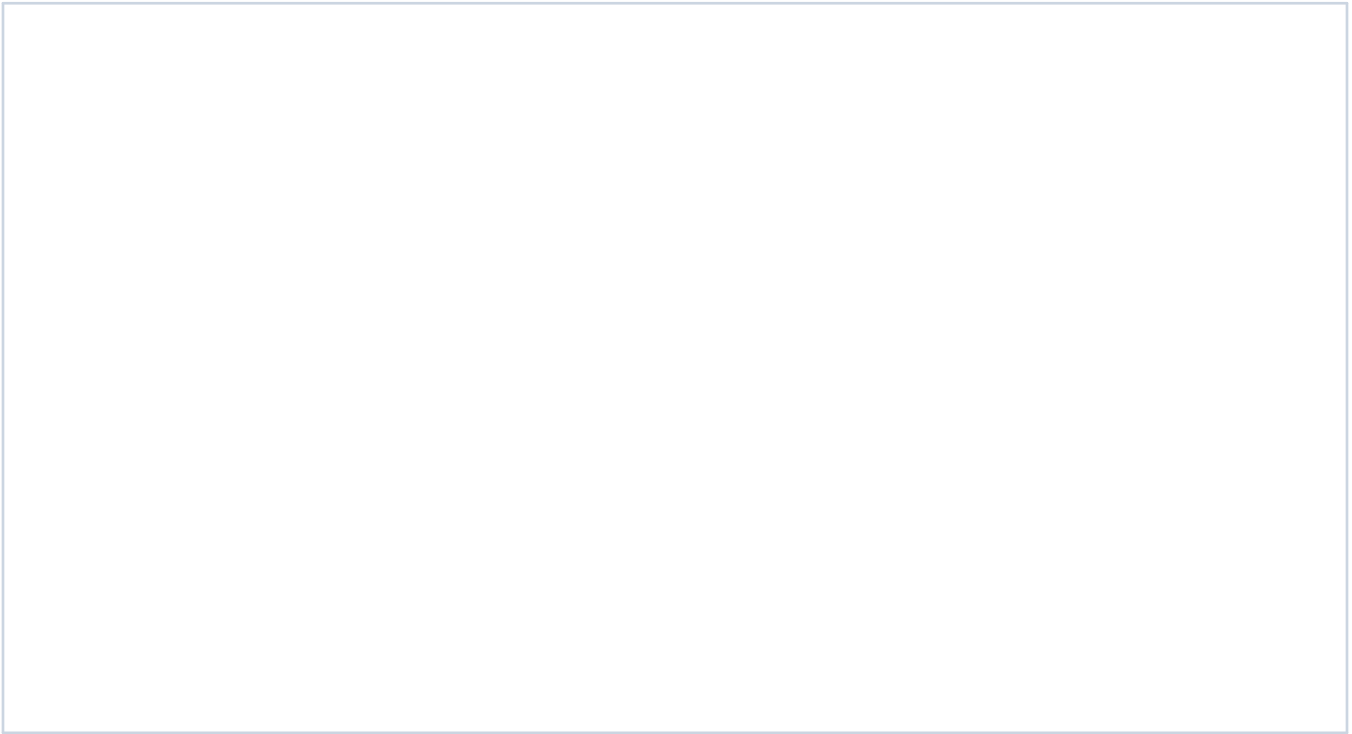

One thing I want to learn in STAR

One problem I want technology to solve

One online safety rule I will follow

One project idea I may want to build

Design Space

Optional 30-second video prompt:

What does it mean to move from screen time to skill time?
